Higgins Wins In Dual Cross Country Run

Columbia's Captain Makes New Course Record; Team Honors Go to Williams

Walter Higgins, captain of the lolumbia cross-country team, virtually ran his way into the athletic Hall of fame vesterday, when he shattered all records for the famous Van Cortlandt Park course in winning the dual race between the Blue and White and Will iams College.

Despite the wonderful performance of Columbia's captain, the Williams College harriers bunched enough men at the finish to win the team honors, the score heing: Williams, 26; Columbia, 29. The visitors finished men in third, fourth, fifth and sixth places. Higgins Takes Lead at Start

made a game effort to pass him at the three-mile mark. Croft hung on to the leader from the outset and it appeared that he had a chance to win, but after making the futile attempt at three miles it was evident that he was in pain, and a hal mile further along he dropped out with a severe stitch.

With the finish in sight Higgins was without real competition and running easy. Turner, 300 yards back, was also well in front of the balance of the field. Coan tried hard to catch the fleet Turner, but the latter had the better sprint and landed in second place with about 250 yards to spare.
